

CITY MATTERS.

Mrs. J. W. Smith, of Cincinnati, is visiting friends on High street in this city.

A couple of chickens were stolen this morning from a huckster's wagon in market.

The funeral of Mrs. T. W. Beeny, wife of the builder, occurred this afternoon at 3 o'clock.

Miss Ella Shewalter returned yesterday from a three weeks' visit to friends in Oswego, New York.

Mr. F. W. Miller, of the reaper and mower firm of Aultman, Miller & Co., Canton, O., is at the Arcade hotel.

The many friends of Dr. J. M. Miller will be happy to learn that he has entirely recovered from his recent illness and is at his office again.

Ike Roberts, who was arrested on the charge of burglary, was arraigned yesterday afternoon. He pleaded not guilty and his case was set for Tuesday next.

Judge Littler yesterday introduced in the House, at Columbus, a bill authorizing the issue of \$100,000 sewer bonds authorized by the City Council of this city.

Yesterday afternoon Harry Hill, the four-year old son of J. L. Hill, living five miles from town, while playing, fell off a fence and broke his right arm at the wrist. Drs. Ratterton & Welsh reduced the fracture.

The Grand Opera House is crowded this afternoon, the attraction being the Howard Athenium Specialty Company. Everybody is convulsed with laughter. It will be repeated again this evening. Prices 35, 25, and 15 cents.

The cases of John Coban, Joe Sheets, Hubbard P. George, and Sam. Garrett, for violation of the ten o'clock ordinance, came up before the Mayor yesterday, but the defense not being ready, the cases were continued until next Friday.

It is believed Killa, whose arrest is elsewhere noted, supplied himself with a revolver and box of cartridges yesterday, knowing the officers were after him and intending to "do them up" if they attempted to serve a warrant on him.

This morning while a young lady, whose name could not be learned, was getting out of a buggy on Market street, near High, her foot slipped and she fell to the ground. Her face struck the edge of the curbstone and was cut and bruised terribly.

A Washington special to today's Cincinnati Enquirer says that a commission was issued Friday to James Johnson, senior, as postmaster of this city. This would seem to practically end the agony. The document was received here this morning.

The suit for civil damages for alleged malpractice brought in Squire Rightmyer's court by Mrs. Lydia A. Cross against E. A. McArthur, a full account of which appeared yesterday, was compromised this morning. McArthur paying Mrs. Cross \$35 and also the costs in the case.

Joseph Leonard, who served out a sentence for drunk and disorderly yesterday, was transferred to jail this morning under an additional penalty of one dollar and costs for petit larceny. He stole some flour out of a little boy's wagon and some meat from Miller's, Lagonda avenue.

A telephone message from London received at the patrol house at 6:30 o'clock this morning, stated that a horse was stolen last night from James G. McLean, of Range township, Madison county; on the Clark county line. The animal is a sorrel mare, light mane and tail, white spot on one hip, bare-footed all around. Holds her head high. Weighs about 1,300 pounds. Nothing said as to reward.

A local purveyor of milk is an accomplished bugler, and uses a bugle instead of a bell on his rounds. At one house he notifies his customer of his presence by sounding the call: "Come and get your quinine." At another, where the customer is a little in arrears, he blows: "Boots and saddles," which signifies "pony up." When this is repeated several times without the desired response he adds the call for a "halt."

At St. Paul Church last evening a large audience assembled and were engaged in religious services, singing, speaking and prayer, when the well-known evangelists, Mr. and Mrs. Frame, made their appearance in the congregation, and Mrs. Frame, by her earnestness, electrified the audience in both speaking and prayer. It is hoped that the evangelists will remain in the city and assist the pastor of St. Paul in revival services, which will be held every evening next week.

For some time past Pimlott, the coal dealer, has been getting a great deal of coal by having it stolen. Several cars have been short in weight from one-half to two tons. Deputy Marshal Curran has been working on the case and last night succeeded in capturing the thief, whose name is W. M. Poland. Curran has seen Poland go over the cars several times but never could get close enough to arrest him. Last night, however, he caught him as he was returning home and locked him up in jail. Poland acknowledged that he had been stealing coal for some time past. He has had no cause for stealing coal for several months at Mast, Foss & Co.'s shop. He will have a hearing before the Mayor this afternoon.

Rumors of a very sensational body-snatching case were floating around yesterday morning. A GLOBE REPUBLIC reporter was soon chasing them around, and finally got the whole story, which isn't very sensational after all. A few days ago a gentleman of very fertile imagination came to the chief of police and informed him there was a "ditch" in the cellar of the Clark chemical works on Fisher street, and he thought it was Dr. Maxwell's body. Acting on this information Chief Schuchman sent Officers Hughes, Croft and Rizer to the place mentioned. They were very courteously treated and shown through the building. In the progress of their researches they came across a "mummy" in the cellar, which the company has had for three years, and it was probably this that prompted the information.

Its design is to distribute a pure Christian literature, especially in the destitute portions of our country, whose people must be sought out and visited to that end. The last year 155,225 homes were thus reached by its laborers, 133,463 volumes were circulated; over 56,000,000 pages were given away, or loaned; 4,614 religious meetings were held and numerous bible schools organized in these homes. The society never asks anything for the support of its business, but only for its benevolent work, to which every penny is strictly applied.

Miss Anna Johnson, of 24 Front street, Columbus, Ohio, says: "I suffered from an aggravated form of constipation and indigestion for several months. My family physician tried all kinds of medicines and pills, but to no effect. I began to think my case was a hopeless one. A friend of mine (Mrs. Elvira Redmond, of East Long street, this city), called, and seeing the condition I was in, recommended me to try your MANALIN. I must say I had but little faith in the medicine, but after I had taken a few doses I was convinced that MANALIN was the medicine for me. After I had taken one bottle I was entirely well of my complaint. I consider it one of the best remedies for constipation I have ever used. I have several friends who are using it. They think it an excellent remedy. I recommend it to all who are afflicted with constipation or indigestion. Any one doubting this statement is invited to call on me at 24 Front street."

Mr. Milton Knotts, Urbana, O., writes: "Last November one year ago I was taken sick, and called in our family physician. He examined me and said I had symptoms of typhoid fever. He gave me medicine for two weeks or more without any relief. I began to think that my days on earth were fast closing in. I saw at once that his medicine would not reach my disease. Just as I was about to conclude that I would have to die, my daughter brought me one of your pamphlets. I noticed a case whose symptoms were like mine, and PERUNA and MANALIN had cured him. I concluded at once to try it. I procured one bottle of PERUNA and one of MANALIN, and took them as directed, and before I had used two bottles I began to receive strength and gain in flesh. I finished the rest of the two bottles and continued its use until the third bottle was used. When they were used I could eat anything I wanted to and go about my work. I consider that if it hadn't been for your PERUNA I would have been in my grave. Parties wishing information can write me at the above place. I recommend your medicine wherever I go."

Mr. John R. Davis, Mountsville, W. Va., writes: "I have been handling your PERUNA ever since its introduction. All who have used it speak highly of its curative properties. I consider it a reliable remedy."

Mr. George Fisher, Portsmouth, O., writes: "I am handling your PERUNA, and having a good trade on it. It gives splendid satisfaction."

On a Quadruple Charge.

The entry appears on the blotter at the county jail this morning: "James M. Killa, drunk and disorderly, using profane language, pointing a deadly weapon, and carrying concealed weapon." The prisoner is a well known shoemaker, who has a dangerous temper when at all in liquor. Warrants were sworn out yesterday morning for his arrest on the minor charges of drunkenness, disorderly conduct and using profane language, and the officers got on his track about three o'clock in the afternoon. Wilson and Croft, hearing their man was somewhere in the West End, salooning it, followed. Croft going to Ropp's place and Wilson to Gray's. As Wilson opened the door of the latter to enter, he came face to face with Killa, who was leaving. The officer managed to close the door so as to catch his man by one arm fast and called to Croft to assist him. As soon as the door was opened and the man let loose, Croft, who knew whom he had to deal with, seized him by the throat while he was trying to pull the trigger but happened to get his finger outside the guard instead of on the trigger. The patrol wagon was called and the man taken to jail. He is represented as saying he was sorry he hadn't shot the officer and it is further reported he had, some time during the day, drawn the pistol on his mother. The pointing of a weapon at another person is a penitentiary offense.

The following is a translation from the Dutches Tagblatt, Berlin, placing Herr Raupel Koester on the top round of the musical ladder:

"Herr Koester attained a great success as a violin artist last evening. He played the 'Raffa Cavatina' with a truly fine artistic touch, equalling that of the old masters. For his second number he played the characteristic 'Gypsy melodies,' by Sarasate, with great effect, being recalled by the plaudits of the enthusiastic audience, and was finally obliged to repeat the piece."

The Hamburg Correspondent says: "Of Herr Arthur Korthener's piano playing the highest words of praise must be spoken. Herr Korthener gave 'Berceuse and Colonne,' op. 53, Chopin, with artistic finish, and, in response to an enthusiastic encore, gave a scene from Wagner's 'Walkure' magnificently. That Herr Korthener is an artist of the very highest order, every good musician will concede. With the 'Fire-Motive' still ringing in his ears, the critic might go on indefinitely saying good things of this great artist."

The above endorsements are sufficient; we need say nothing further in their favor. These artists will be here January 22 to perform at the Charity Concert at Black's Opera House. Tickets now on sale at all the principal stores of the city. Box-sheet opens Monday January 19 at Pierce's book store and Wilbur's ticket office, 70 Arcade.
